## Highlights for Children

In each issue of **Highlights** magazine, kids explore new topics, investigate fascinating subjects and learn about the world. It's filled with stories, puzzles, riddles, science experiments, craft projects, kid-submitted art, and activities that help kids become their best selves: Curious, Creative, Caring and Confident.

## Highlights Hello

Laughing, playing and reading **Highlights Hello** magazine helps babies and toddlers make positive connections between reading and fun. Each issue follows a theme, such as “Sounds” or “Farm Animals,” that helps little ones understand and enjoy their world. Plus, the magazine is child-safe, made of tear-resistant, washable material with rounded corners and a stitched binding.

## Highlights High Five

**High Five** magazine is full of colorful read-aloud stories and poems, simple crafts and recipes, learning games, just-right puzzles and activities that give young children and their caregivers an ideal opportunity to have fun together. Plus, every issue reinforces skills that prepare preschoolers and kindergartners for reading, math and other areas of learning.
