American Girl

American Girl magazine is the age-appropriate alternative to teen magazines created especially for girls ages 8 and up. Always spirited, wholesome, and fun, it's the magazine that lets girls be girls. Each issue is packed with fun & friendship, party plans, crafts, real girls' stories and quizzes and contests. Parent's Choice and EdPress award winner.

Awesome Science

While Awesome may be a mythical dragon, the topics we cover are anything but! Adventure through chapters of oceanography, biology, anatomy, environmental science, chemistry, physics, forensic science, mathematics and technology! We offer comprehensive teacher reviews and challenges for readers to discuss and respond critically. For grades 5 to 12.

School Arts Magazine

The pioneer in art education since 1901, SchoolArts is read by more than 40,000 K-12 art educators monthly. Replete with ready-to-use lessons and contemporary approaches from top voices in the field, SchoolArts delves deep and delivers rich, meaningful content that explores not only the "hows" but the "whys" to creating art.
