Frequently Asked Questions

WHAT TITLES ARE AVAILABLE?
A multi-language collection of over 3,000,000+ full-text eBooks of classic works of literature, science, technology, serials, bibliographies, dictionaries, encyclopedias and other reference works in over 100 languages. The collection is comprised of high quality eBooks and MP3 audio books.

HOW DOES THE WORLD eBOOK LIBRARY WORK?
Members receive access to a world-class collection of literature and the world's largest PDF eBook and eDocument collections. All have been digitally re-mastered and optimized for the virtual library users. As a member only your library patrons will be able to gain complete access to review, read and download for personal use, any material in this vast collection.

WHAT VALUE DO eBOOKS ADD TO MY LIBRARY?
eBooks are a great value that will instantly add millions of titles into your library's offerings, without the costs associated with print books. With eBooks there is no need for shelves, book space, or additional computer resources. Other benefits include not having to worry about lost and stolen materials, re-shelving, delivering, tracking and maintenance of electronic materials. Furthermore, all of our eBooks are available to your patrons from your institution or personal computer 24 hours a day, 7 days a week, with value added features such as text to speech, digital dictionary, digital highlighter, digital notepad and a full text search capability.

WHAT ARE THE CONCERNS OF OFFERING eRESOURCES?
Many concerns of offering eResources are answered with this product. The library provides a link behind its proxy giving students/library users access to the entire collection of documents. It provides unlimited simultaneous users, unlimited downloads, and the content belongs to the student/user after it is downloaded. The content can be read with any eReader or from any personal computer. For the library, MARC records and usage statistics are free. The product is simple to use, helps reduce research time and greatly expands the library's e-collection at a fraction of the cost.
