Awesome Science

While **Awesome** may be a mythical dragon, the topics we cover are anything but! Adventure through chapters of oceanography, biology, anatomy, environmental science, chemistry, physics, forensic science, mathematics and technology! We offer comprehensive teacher reviews and challenges for readers to discuss and respond critically. Designed for grades 5-12.

Awesome Tales of Courage & Inspiration

This new “one-of-a-kind” reference book explores and delivers biographics on a large range of people from artists, to scientists to athletes, and more! These pages highlight courage displayed by those who found insight into their lives to share.
